Miss Francis Wilson  
it is with pleasure I take  
this morning to wish  
you a few lines to  
let you know  
how I feel. I feel  
better. I hope you will  
my dear friend last  
letter you would  
not say that you  
based any thing  
for me and then  
tell me not stop  
writing and I  
will stop and I will  
learn it with me pay
